**THE DEPARTMENT OF GENERAL SERVICES
JOC APPROVAL LETTER**

UTILIZING JOC FOR CITY CONSTRUCTION PROJECT

For all proposed JOC projects, please complete items 1 and 2 below. As appropriate, complete items 3, 4 and 5. Attach to MOA (JOC Approval Letter)

JOC #: JUP762.B
Project #: R-4-001
Project Name: Levy Restroom Rehab. Phase II Change Order
Project Location: 2019 W. Lawrence Ave.

1. **Please describe the major features of this project:**
This is a change order to include the replacement of metal studs and flooring that was not in the original scope of work and was required to complete the project.

2. **Please explain why this project could not be bid using the City's traditional bid process and the need to use JOC procurement method .**
This project was in process, via JOC and not including the change order under the original project would have caused an unnecessary delay to the completion of the restroom rehab.

3. **If this project is a one trade project, please provide additional explanation of why it would be in the City's best interest to do the project under JOC.**
This is a multi trade contract.

4. **If it is anticipated that over 25% of the project will consist of Non-Prepriced Items, provide an explanation on why JOC should be used instead of a city-wide term agreement:**
We do not anticipate over 25 % NPP items.

5. **If some elements of the proposed JOC project scope of work are covered by City Term Agreements, list the elements that should be removed from the JOC project. Attach additional pages if needed.**
The city does not have a term agreement in place for the removal & installation of metal stud and flooring repairs.
