Utilizing JOC For City Construction Projects

Pershing Rd Warehouse
1869 W. Pershing

Project No: OVC-07-016

For all Proposed JOC Projects, Please complete Items 1 and 2 below. As appropriate, Complete items 3,4 and 5.
Attach to MOA (JOC Approval Letter)

1. Please describe the major features of this project.

Contractor to provide all material, labor, and transportation. Dismantle existing rack system by cutting anchor bolts out of concrete floor, transport to Pershing warehouse and install on-site by re-anchoring bases to concrete floor.

2. Please explain why this project could not be bid using the city's traditional bid process and the need to use JOC Procurement system.

Approached our DGS trades. They were unable to lend manpower to execute this job due to Pershing build-out commitments. Timeliness is critical because DGS is cancelling the lease where the equipment currently resides. The racking equipment is needed for Human Services new space at Pershing warehouse.

3. If the project is a one trade project, please provide an explanation of why it would not be in the city's best interest to do the project using DGS trades or existing term agreements.

multi-trade

4. If it is anticipated that over 25% of the project will consist of Non Pre-Priced items, please provide an explanation on why JOC should be used.

Not anticipated at this time.

5. If some elements of the proposed JOC Project scope of work are covered by city term agreements, these elements should be removed from the JOC Project.
