1. Please describe the major features of this project.

The south abutment wall of the Bryn Mawr Avenue Viaduct under Lake Shore Drive is in need of sandblasting. The concrete abutment must be cleaned in order to install a public arts project on the face of the abutment wall. The mural will be installed on July 2008.

3. If the project is a one trade project, please provide additional explanation of why it would be in the city's best interest to do the project under JOC:

Not applicable -various trades will participate.

4. If it is anticipated that over 25% of the project will consist of Non-prepriced items, please provide an explanation on why JOC should be used.
