This letter is to serve as notification that we have accepted both a hand painted (10x10) picture from a student (and constituent) artist as well as a floral arrangement from a local chamber of commerce on behalf of the City of Chicago. During our recent 41st ward office opening, the items were gifted to the city and I have displayed them in a place where the public can view them in our ward office. Please let me know if you have any questions.

Thank you,

Anthony Napolitano
