The Board of Ethics has reviewed your case and concluded that your employment with the Village of [Redacted] will not present a conflict of interest with your City of Chicago employment so long as you do not in any manner participate in any contract negotiations between the Village and the City of Chicago.

To ensure that your employment with the Village of [Redacted] does not violate Executive Order 86-1 (Sections 4, 6, and 9), the Board suggests that you keep us informed of any changes that may occur in your employment relationship.

The Board also recommends that you not engage in any activities on behalf of the Village of [Redacted] during your scheduled work hours for the City of Chicago.

Sincerely,

Robert Howard
Chairman
